

# International Philosophy of Culture Week June 8-11

## Chapter 2 – Symposium: Philosophy of Culture: Field, Method, Theory, or Way of Life?

In a series of three sessions, a symposium of scholarly participants will explore philosophy of culture as field, method, theory, and way of life. The symposium aims to initiate an important philosophical dialogue on the meaning and purpose of philosophy of culture.

**Date:** June 10th 2019
